

6th Grade Choice of Electives for 2018-19

All incoming 6th graders will have one semester of Physical Education (PE) and one semester of Study Skills.

If there is still room in your schedule for electives this sheet will be used to help us choose electives to put in your schedule.

Please *RANK* the following classes in order of how much you would like to take them – “1” being your top choice.

PLEASE NOTE: It is quite possible you will not receive your first choice. We will do our best to accommodate your requests.

Student Name: _____ Parent Name: _____

Email: _____ Phone: _____

_____ Art

_____ Band – Beginning (year-long - must rent or purchase an instrument)

_____ Dance

_____ Drama

_____ Health

_____ Leadership

_____ STEM

_____ Video Production

*See class descriptions on the back of this sheet.

Description of Electives:

Art: The goals of the art education program at Oasis Middle School are for students to explore art through a variety of media including, painting, drawing, printmaking, collage and sculpture; to learn about famous artists and their works; to apply aesthetic judgment when viewing art; to exhibit visual expression of their ideas throughout the school and community.

Band: This beginning class introduces students to the world of music. Students must be able to purchase or rent an instrument for this class. Fundamentals of reading music and playing an instrument are developed in school; at-home practice is necessary.

Dance: This class is an introduction to dance. We will cover the basics of technique, warm-up exercises, and choreography in multiple genres. Genres will include hip-hop, ballet, jazz, musical theater, and social dance (line dancing, freestyle). An advanced dance class will be offered. Placement into advanced dance will depend on the student's core schedule of classes.

Drama/Exploring Musical Theater: Explore many forms of performing arts that include: Acting, Singing, Choreography, and Theater Production (stage make-up, scenery, lighting, etc. We will also have extra-curricular Musical, Chorus, and Jr. Thespians!!

Health: Health Education is a semester course designed to enhance the awareness and knowledge of making healthy lifestyle choices. It is based on the wellness approach, which integrates social, mental, emotional, and physical health, along with learning life skills, in order to promote a positive and healthy lifestyle for each individual.

Leadership: It aims to teach each of the 18 desired character traits in week long modules. Students will be exposed to real life models of character and leadership and learn how they can be leaders and role models in their own lives. The course reaches Florida Standards for both ELA and Social studies.

STEM: Students work with the engineering design process to solve a multitude of design challenges. This is a very hands-on program that combines project-based learning with real-world problem solving.

Video Production: Students learn basic understanding of field production equipment and editing software as they work on video projects. Students also learn project planning and research skills all while writing scripts for their projects. Oasis Middle's video production students have won dozens of awards at the District Level for their productions. This class is offered for various grade levels. The classroom is equipped with iMacs and Canon cameras.
