Student Drop Off and Pick Up

Students should not be on campus prior to 7:10 a.m. Students transported by car should be dropped off in the back of the school between 7:10 and 7:40 a.m. Students who arrive after 7:40 a.m. will be marked “tardy.” Tardies will be tracked this school year. Consequences will be issued for students who are repeatedly tardy for school.

For student safety, please do not use the bus ramp or staff parking lot for unloading or picking up students. The City of Cape Coral Charter School Authority is not responsible to provide supervision of students on premises more than 30 minutes before or after the school day and school activities. Students who have not been picked up by 2:50 p.m. will be supervised by the After-School Program at the daily rate.

AM Drop-Off Procedure

OMS is not responsible for children dropped off prior to 7:10 a.m. or not picked up after 2:50 p.m.

Drop Off Time: 7:10-7:40 a.m.

- *Do not drop children off in the front parking area and have them walk through parked cars and traffic.*
- Enter the High School entrance. Go behind the High School and Gym. Stay to the right at the grass divide and proceed in two lanes to airnasium/play area. Pull to the farthest cones. Children should exit and walk behind the cones to the airnasium and follow the sidewalk to the main building.
- Parents are not permitted to walk their children to class. Teachers are completing preparations for instruction during this time. If you need to speak with a teacher, please contact the teacher to make an appointment.

PM Pick-Up Procedure

Pick Up Time: Please do not begin lining up until 2:00 p.m.—lining up earlier interferes with the high school dismissal.

Bicycle Safety Rules

Bike riders must obey all traffic laws and signs when riding on roads. Riders must wear a helmet. Bike riders must:

- Wear a helmet.
- Ride single file with traffic.
- Use hand signals when stopping or turning.
- Ride as close to the right-hand curb as safety permits.

There is a designated area for bicycles to be parked at school. This area is open in the morning before the start of school and locked during the school day. Each child should bring a lock to secure the

bicycle in the bike rack area. You are responsible for the safety and security of your bicycle. Do not ride your bike in the breezeway.

Skateboards should be kept in the racks located in the breezeway.

Bus Information

To be eligible to receive transportation, you MUST have filled out a TRANSPORTATION REQUEST FORM prior to May 31, 2019, so routes and times can be adjusted to accommodate all the students. No route changes can be made. If you desire bus transportation after school starts, you must fill out the Transportation Request Form. Routing for these new requests could take until Sept. 16.

Riding other buses for the purpose of going home with friends, going to non-school meetings, clubs, and other personal conveniences will NOT be approved. Permission will be approved for a student to ride a bus other than the one assigned or to get off at a stop other than the one assigned only in cases of emergency.

You will be assigned one bus stop for your child/children. It is your responsibility to be at the bus stop on time. You should arrive 10 minutes prior to your scheduled pick up time.

Bus Procedures

Bus riders will be dropped off in front of the school in the morning. Students will load onto buses in this same location in the afternoon for dismissal. We will hold cars until the busses are loaded and departed.

Bus Safety

Riding the school bus is a privilege and students are expected to follow all safety rules and directions of the bus driver. Violation of bus safety rules is considered a serious offense and will be reported to the school administration. Please refer to your copy of the School District of Lee County Code of Conduct for Students for a list of behavior expectations for the students to follow. It is the responsibility of parents to monitor student safety at the bus stops before the arrival of the bus and following unloading each afternoon. Students will be refused transportation if they do not have a SCHOOL BUS SPECIAL REQUEST signed by the principal or assistant principal. A permission slip may be obtained from the office; it must be filled out from a parental request, and should be taken care of early in the day. The permission slip must be given to the bus driver before getting on the bus.

Bus safety rules:

- Follow all bus and bus driver rules
- Stay seated in assigned seat and facing forward
- Keep hands and feet inside the bus
- Respect others and others' property

Discipline for violation of bus safety rules is as follows:

- 1st offense: Warning
- 2nd offense: 1-3 day suspension from bus
- 3rd offense: 3-5 day suspension from bus
- 4th offense: Loss of bus riding privileges*

**Any incident that is determined to be severe by school administration may be considered as a 4th offense regardless of whether there have been prior offenses.*

Change of Transportation Procedures

If a student needs to be picked up before the 2:20 p.m., dismissal time, and/or there is a change in the way your child will be sent home, a note should be sent that morning to the teacher. *If an emergency arises, please notify the office by 2:00 p.m.* Please limit such changes to emergencies only. Parents will not be permitted to sign children out early as a convenience to avoid car-line procedures. *Please note, three (3) early sign outs will equal one (1) day of absence.*

Children Leaving During School Hours

Students may not leave during the school day without permission. When parents come to school to pick up their child before the school day is over, they must bring proper ID and report to the front office. The receptionist will ask the teacher to excuse the child and have him/her sent to the office. Parents should not call the office ahead of time and ask that their child wait for them in the office. The student will be called for once the parent arrives. Classes will not be interrupted for parents who wish to speak to a child on the phone.

Parents who want to pick up their child, instead of letting him/her go home on the usual bus, MUST obtain a note from the school office. No child will be allowed to dismiss from the bus ramp area unless there is a note from the office. Leaving school early should only be done on a very limited basis. Leaving early is a disruption to your child's learning and the classroom.

Inclement Weather

If lightning is in the area during our dismissal process, the line will be stopped and children will be taken to the gym until the storm passes. Parents may walk to the gym to pick up their children. We will not bring your child to your vehicle if lightning is in the area. Walkers and bike riders will also be held in the hallway of the main building or the cafeteria.

Walkers, Bike Riders Dismissal Procedure

All walkers and bike riders will report to the media center when students are dismissed. They will be held in the media center until all buses have cleared the front of the school.

Attendance

Every student is expected to be on time and present each school day. Regular attendance is essential for a student to make use of the educational opportunities we provide. Parents are solely responsible for their children's regular school attendance. The classroom experience is of unique value and cannot be duplicated by make-up work. The purpose of this attendance policy is to foster responsibility and reliability on the part of Oasis Middle School students to attend all classes. Students will acknowledge greater emphasis on attendance at school because credit in their classes will be contingent upon their presence.

If a student is absent from school, it is their responsibility to make up the work missed during this time period. If a student misses more than one day, the parent may contact the school to collect information about assignments missed. Teachers should be given a full day to prepare missing assignment packets. Same day request may not be honored. For making up work, students will have the same number of day missed plus one day for completion.

Reporting Absences: When a child is going to be absent, **please report the absence to the school by 8:00 a.m. by calling 239-945-1999**. Your message should include the child's full name, the date of the absence, and the reason for the absence. If you are unable to notify the school by phone, a written excuse including the same information with a parent signature will be accepted upon the child's return to school. Students who miss school for more than three (3) days in a row will need a doctor's excuse. When a student accumulates an excessive number of absences (5 days in a calendar month or 10 days within 90 calendar days) and additional absences occur which are caused by illness, a written statement from a physician verifying that the absence was caused by an illness may be required by the principal to be submitted by the parent/guardian (School Board Policy 4.16).

Excused & Unexcused Absences: Only the school principal or designee is authorized to excuse an absence, and these may include:

1. Illness of the Student
2. Illness of an immediate family member
3. Death in the immediate family
4. Religious holidays of the student's own faith
5. Required court appearance or subpoena
6. Scheduled medical or dental appointment
7. Students having, or suspected of having, a communicable disease which can be transmitted are to be excluded from school and are not allowed to return to school until they no longer present a health hazard—24 hours fever free.

Unexcused Absences – Absences not excused as defined in the previous section, are considered unexcused.

Minors between the ages of fourteen and eighteen years of age who do not attend school regularly will not be issued a learner's permit or will have their driving privilege suspended by the Florida Department of Highway Safety and Motor Vehicles. (Section 322,091, Florida Statute).

Students without a completed Certificate of Immunization indicating compliance with the current required schedule of immunizations will not be allowed to attend classes until this document is

provided or a waiver is obtained. Absences due to non-compliance with immunization requirements shall be considered unexcused.

Students transferring to Lee County who are considered homeless, children of a military family or are under the care of the Division of Children and Families, have a 30-day waiver of both health examination and immunization requirements.

Make up Work

Make-up work for credit and grade is allowed for all absences. Immediately upon return to school, the student will be given the number of days absent plus one additional day to make up all work missed.

Assignments not turned in after this deadline will be given a zero. Extra credit assignments will not be provided to replace assignments that were not turned in after an absence.

Tardiness

Tardiness is defined as a student not being in the classroom when the class is scheduled to begin.

We will track all students who are tardy for the start of school – arriving after 7:40 a.m. Students who are tardy three or more times in a quarter will receive a Minor Referral. Consequences will be:

- 1st Offense – warning – parent notification
- 2nd Offense – lunch detention – parent notification
- 3rd Offense – lunch detention – parent notification – meeting with parent requested

1. Parents must follow the same process to excuse a tardy as they do to excuse an absence.
2. Excessive tardiness shall be addressed on a case-by-case basis to determine if there is a pattern of non-attendance. Non-attendance for instructional activities is established by tardiness, early sign-outs, or absences for all or any part of the day.
3. Tardiness to any class without documentation may be considered unexcused.
4. Habitual tardiness is defined as three (3) or more tardies to school or to an individual class per quarter.
5. Principal has the discretion to excuse tardiness for extenuating circumstances.
6. Unless excused under the provisions of this policy, accumulated tardiness will be recorded as unexcused absences.

Habitual tardiness is defined as (6) or more tardies to school or to an individual class per quarter. For enforcement of compulsory school attendance, (3) unexcused tardies or unexcused early sign-outs may, at the discretion of the school principal, be considered equal to one day of absence.

Early Sign-Outs

Early sign-outs are defined as a parent or guardian signing out a child before the end of the school day.

1. No student shall be released within the final 20 minutes of the school day unless the principal/designee determines it is an emergency.

2. Excessive early sign-outs will be addressed on a case-by-case basis to determine if there is a pattern of non-attendance.
3. Unless excused under the provisions of this policy, accumulated early sign-outs will be recorded as unexcused absences.

Birthday Celebrations and Snacks

We enjoy celebrating birthdays with your children. Students are not allowed to have balloons, flowers, or gifts delivered directly to them in the classroom. Any items delivered to the school for students will be held in the office until dismissal. Balloons are not allowed on our school buses.

Cape Coral Parks and Recreation - Before and After School Care

The City of Cape Coral Parks and Recreation Department will handle the majority of our child care needs. Program Fees and Hours of Operation can be obtained by contacting City of Cape Coral Parks and Recreation Department at 540-1410.

OCS does have a fee-based after-school program available from 2:30-4:20 p.m. Information can be obtained on our website, or by calling the front office.

Change of Address and Phone Number

Parents must inform the office in writing if there is a change of address or telephone number to facilitate mailing and communications between school and home. Up-to-date telephone numbers and

addresses are necessary in case of an emergency. Every student should have an Emergency Card with current information on file in the office. If you have court documents pertaining to custody issues, please be sure we have a copy.

Clinic

Our school clinic is a comfortable spot for a sick child until he/she recovers or is taken home. It is operated by a trained and understanding registered nurse with clinical experience in the pediatric field. The staff relies on information from parents to keep the files updated. AN EMERGENCY INFORMATION CARD MUST BE COMPLETED AND UP-TO-DATE ON EVERY CHILD. These updates must be made in writing. For a child's safety, the school should always know how to contact parents or friends in case of a child's illness or other emergency.

When A Child is Ill or Injured

If your child is ill, before returning to school the child must be:

- Fever free for 24 hours without medication.
- Vomit and/or diarrhea free for 24 hours.
- Nit free and cleared by the school nurse in cases of head lice.
- Contagious skin rashes must be covered for school attendance. These include MRSA, ringworm, impetigo, warts and moluscum contagiosum.
- Suspicious rashes may require a physician's note before returning to school.

If your child has been diagnosed with a contagious illness, please notify the school so we can track any potential spreading within the student population. (*i.e. ringworm, impetigo, head lice, pinkeye, etc.*)

If your child has an injury, before returning to school, the student must:

- Provide a note from a licensed physician to the school indicating the child is wearing a cast.
- Provide a note from a licensed physician to the school indicating the child needs to use crutches.
- Provide a note from a licensed physician indicating the elevator is necessary.
- Provide a note from a licensed physician allowing permission in physical activity.

Medication in School

Medication should be given by the parents and taken at home, if possible. Medication may be taken at school only if failure to take it could jeopardize the student's health. The medication must be in its original container from the pharmacist and be taken under supervision of school personnel. The parent must provide written permission on Form MIS 398 supplied by the school. If medication is to be given in school for longer than two weeks, a statement from the attending physician must also be provided on Form MIS 401 supplied by the school. Medications must be brought to school by the parent or guardian in its original container. (Unopened, if it is an over-the-counter medication.) No over-the-counter medicine such as aspirin or cough medicine will be given without the parent completing Form MIS 398 mentioned above. Cough drops may not be brought to school or used in school by students.

The school, by law, cannot provide medications for students; nor can medication be sent to school or home with a student. A parent or guardian must bring any necessary medication to the clinic with completed forms and written instructions.

*If your child is going on a field trip, please notify the school/teacher/clinic a day prior to the trip to review medical needs.

Code of Conduct

The purpose of discipline is to help students in the development of self-control and responsible behavior. Students at Oasis are expected to conduct themselves in a manner that will bring credit to themselves, their parents/guardians, and to their school. Please review this Code of Conduct (an extension of the Lee County School District Code of Conduct) and the Lee County School District Code of Conduct with your child. We will follow the School District of Lee County's Parent Guide and Code of Conduct when determining the appropriate consequences for inappropriate behavior.

- Arrive to school on time.
- Walk to all classes and to the buses; running is never allowed.
- Complete all assignments for each class, and be prepared for tests.

Minor Referrals – Tracking of Minor Behaviors

Each quarter, students will be given four opportunities to correct their behavior before receiving a regular school referral. Teachers are expected to contact parents when a minor referral is written.

Bullying/Harassment

Section 1006.147, Florida Statutes, prohibits bullying or harassment of any student or employee of a public K – 12 educational institution. The District will not tolerate bullying or harassment of any type. All students and employees have the right to feel respected, secure and safe while participating in school and school related activities. School District policy and procedures are specified in School Board Policy 4.14.

The policy requires that:

- All incidents of bullying or harassment be reported to the designated administrator.

- All allegations of bullying or harassment are investigated in a timely manner.
- Parents of both parties (the alleged bully and the target) are notified that the investigation is occurring.
- Parents are notified of the outcome of the investigation.
- Interventions and disciplinary consequences will be provided to a student who has committed an act (or acts) of bullying.
- The student who is the target of the behavior receives appropriate interventions and follow up.

Bullying includes cyber bullying and means systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees. It is further defined as unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by a student or adult that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school performance or participation; and may involve, but is not limited to:

- Teasing
- Threat
- Stalking
- Theft
- Cyberbullying
- Sexual, religious, or racial harassment
- Destruction of property
- Social exclusion
- Intimidation
- Physical violence
- Public or private humiliation

Harassment is any threatening, insulting or dehumanizing gesture, use of data or computer software, or written, verbal, or physical conduct that 1) places a student or school employee in reasonable fear of harm to his or her person or damage to his or her property, 2) has the effect of substantially interfering with a student's educational performance, opportunities, or 3) has the effect of substantially disrupting the orderly operation of a school including any course of conduct directed at a specific person that causes substantial emotional distress in such a person and serves no legitimate purpose.

Bullying or Harassment may be because of Race or Color, National Origin or Ethnicity, or Disability; but may not be attributable to any of those factors. Harassment (including sexual harassment) based on race, color, national origin and disability are against the law. Discrimination based on race, color and national origin is against the law. Examples of conduct which may constitute bullying or harassment include:

- Graffiti containing offensive language
- Name calling, jokes, or rumors
- Threatening or conduct directed at another because of one's race, color, ethnicity, national origin, disability, or personal attributes
- Notes or cartoons related to one's race, color, ethnicity, national origin, disability, or personal attributes

- A physical act of aggression or assault upon another because of, or in a manner reasonably related to, race, color, ethnicity, national origin, disability, personal attributes
- Other aggressive conduct such as theft or damage to property which is motivated by one's race, color, national origin, ethnicity, disability, or personal attributes

If any words or actions make you feel uncomfortable or fearful, you need to tell a teacher, counselor, the principal or assistant principal or the equity coordinator. You may also make a written report. It

should be given to the principal. Your right to privacy will be respected as much as possible. We will take action if anyone tries to intimidate you or take action to harm you because you made such a report.

Cell Phones (Wireless Communication Devices)

For purposes of this policy, "wireless communication device - WCD" includes computers, tablets (e.g., iPads and similar devices), electronic readers ("e-readers"; e.g., Kindles and similar devices), cell phones (e.g., mobile/cellular telephones), smartphones (e.g., BlackBerry, iPhone, Android devices, Windows Mobile devices, etc.), telephone paging devices (e.g., beepers or pagers), and/or other web-enabled devices of any type, such as smart watches, as well as headphone and/or earbuds connected to these devices.

Students are permitted to have WCDs at school.

During the school day (from the time a student arrives on campus until the 2:20 p.m. bell) the WCD must be turned off and cannot be visible. For example, a student is not permitted to have a phone in the back pocket of their pants. Phones should not be taken out at any time during the school day, including in the restroom. Students are not to make or receive cell phone calls or texts during the school day. **A violation of this policy will result in the student's phone being taken and given to Administration. A parent/guardian must come to school to pick up the phone or device.**

Students are prohibited from using WCDs during the school day, including while off-campus on a field trip, to capture, record or transmit the words or sounds (i.e. audio) and/or images (i.e. pictures/video) of any student, staff member, or other person in the school or while attending a school-related activity. Using a WCD to capture, record, and/or transmit audio and/or pictures/video of an individual without proper consent is considered an invasion of privacy and is not permitted. Students who violate this provision and/or use a WCD to violate the privacy rights of another person may have their WCD confiscated and held until the end of the school day and/or until a parent/legal guardian picks it up, and may be directed to delete the audio and/or picture/video file while the parent/legal guardian is present. If the violation involves potentially illegal activity the confiscated WCD may be turned over to law enforcement. The prohibitions herein also include using a WCD or any other device to covertly listen-in or make a recording (audio or video) of any meeting or activity in school. This includes placing a WCD or other device with one- or two-way audio and video communication technology (i.e. technology that allows a person to listen to live conversations and sounds taking place in the location where the device is located), within a student's book bag or other property of the student or on the student's person without express written consent from an administrator, IEP Team, or Section 504 Team.

"Sexting" is prohibited at any time on school property or at school functions. As set forth in State law, "sexting" is the knowing transmission or distribution to another minor by a computer or similar device any photograph or video of any person that depicts nudity and is harmful to minors. Sexting also includes possessing a photo of any person that was transmitted or distributed by another minor that

depicts nudity. Such conduct not only is potentially dangerous for the involved students, but can lead to unwanted exposure of the messages and images to others, and could result in criminal violations related to the transmission or possession of child pornography. Such conduct will be subject to discipline and possible confiscation of the WCD. WCDs, including, but not limited to, those with cameras, may not be activated or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include, but are not limited to, classrooms, gymnasiums, locker rooms, shower facilities, restrooms/bathrooms, and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes. Students shall have no expectation of confidentiality with respect to their use of WCDs on school premises/property.

Students may not use a WCD in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed, or intimidated. In particular, students are prohibited from using WCDs to: (a) transmit material that is threatening, obscene, disruptive, or sexually explicit or that can be construed as harassment or disparagement of others based upon their race, national origin, sex (including sexual orientation/transgender identity), disability, age, religion, ancestry, or political beliefs; and (b) engage in "sexting" - i.e., sending, receiving, sharing, viewing or possessing pictures, text messages, e-mails, or other materials of a sexual nature in electronic or any other form.

Students are also prohibited from using a WCD to capture, record, and/or transmit test information or any other information in a manner constituting fraud, theft, cheating, or academic dishonesty. Likewise, students are prohibited from using WCDs to receive such information.

Students are personally and solely responsible for the care and security of their WCDs. Oasis Middle and the Cape Coral Charter School Authority assumes no responsibility for theft, loss, or damage to, or misuse or unauthorized use of WCDs brought onto its property, or the unauthorized use of such devices.

Parents/Legal guardians are advised that the best way to get in touch with their child during the school day is by calling the school office – 239-945-1999.

Students may use the school's phone to contact their parents/guardians during the school day.

Late Class Work and Homework Policy

Late work at Oasis is defined for both students who have been absent from school and for students who do not finish assigned class work. Students who are absent from school will receive the number of days absent plus one to turn in all make up work. These guidelines will be in accordance with attendance procedures.

Subject areas with a "no homework" policy do not exempt students from studying or completing school work at home. Even in these subjects, students must study vocabulary, review their notes, and read. Students from time to time will have projects that cannot be completed inside the school day and require work at home. Some students also do not complete class work in a timely fashion when given the opportunity to do so inside the school day. Students who do not complete their work inside

of the allotted time will be expected to use study time to finish or to take that work home to be completed. Students can arrange to receive full credit for assignments turned in the next morning in such cases with teacher approval.

Students needing extended time will lose credit for late class work as follows:

- One day late 10% deduction
- Two days late 20% deduction
- Three days late 30% deduction
- Four days late 40% deduction
- Five days late 50% deduction
- Work submitted after five days A "0" may be given for work never submitted

Cheating

Cheating on assignments, quizzes, or tests will result in a major referral, and a zero (0) on the assignment, quiz, or test. The Code of Conduct will be used when issuing the consequence. Plagiarism is considered cheating and will be handled using the above policy.

Report Cards, Interims

Report Cards will be issued quarterly every nine weeks. The Report Cards will be sent home with the students. Interims (mid-terms) are sent home halfway through each quarter.

Lost & Found Items

All personal belonging including outdoor clothing, pencil boxes, book bags and lunch boxes should be labeled. All items found with a label will be returned to the owner. All unlabeled items go into the "Lost and Found" located in the front office. The school is not responsible for lost and found items beyond a reasonable amount of time. Unclaimed items will be given to Goodwill or a local charity.

School Counselor

Oasis Middle has a counselor who is available to help you concerning a variety of situations, including course selections, test score interpretation, problems in a particular class, challenges with a particular student, and/or problems dealing with situations at home. Students may make an appointment to see their counselor by stopping by the counselor's office.

Search and Seizure

If, at any time, there is reasonable suspicion to believe a student is concealing contraband, illegal property, stolen items, cigarettes, tobacco, electronic cigarettes, alcohol, drugs, or any weapon, the principal or his/her designee has the right to search the student, student's locker, or the student's personal property. Specially trained canines trained to detect the presence of illegal drugs or other contraband may be utilized.

Smoking

The use of tobacco in any form is not allowed on campus. The possession and/or use of any tobacco product, lighters, matches, and electronic cigarettes while on campus, on the bus, or at any school activity, is prohibited.

Student Activities

Field trips, pep rallies, dances, etc. are all privileges and all school rules apply to these activities. As such, access to these activities may be revoked at any time.

Toys

Students are not permitted to have toys at school. Toys include fidget spinners, playing cards, speakers, etc. Please leave these items at home.

Withdrawals/Transfers

Students who are withdrawing or transferring from school must bring a note from home stating that fact. A withdrawal form must be obtained and completed. All school books and property must be returned and fees paid. A 24-hour notice is greatly appreciated.

Visitors

We enjoy having our parents visit the school. For the safety and security of our students and staff, we must insist that everyone who enters the school property go directly to the office with a PHOTO ID to sign in and wear a visitor's pass. A Visitor's Pass must be WORN at all times while you are on school grounds.

School volunteers may not bring non-school aged children with them during the time they are performing volunteer duties. When volunteering in a classroom, you are there to benefit all children not to attend to your own. It will be the teacher's discretion as to when and where volunteers are needed.

All visits should be arranged with the school ahead of time. If you would like to have a conference with the principal or a teacher, please call for an appointment in advance. You are welcome to join your child for lunch on any school day. Please, only take your child to eat in designated visitor areas. Remember, other children may have allergies.

Please be sure to check out at the office prior to leaving the premises.

Volunteer Opportunities

Volunteer Program

Parents or relatives must provide 12 hours of volunteer/involvement time per year/per family. This could include spending time working directly with students in classrooms, assisting in the media center, office, cafeteria, on the playground, or helping where needed. Please call the school office if you would like information about becoming a school volunteer or contact your child's teacher to schedule a time to volunteer.

All Volunteers must complete a Criminal Background Check prior to volunteering for the safety of the children. Giving monetary donations to meet the volunteer hours requirement is not permitted. Opportunities to volunteer will be posted regularly on our school website.
