Dear Parents/Guardians,

Florida State Statute 1012.42 recognizes that teachers at times must be assigned duties in a class outside the field in which the teacher is certified. The following teachers at Oasis Middle are certified to teach, or are eligible for certification, but may be assigned one or more classes outside their areas of certification. Please be assured that all teachers at Oasis Middle are taking the appropriate steps to comply with the statutory regulations. We appreciate your understanding and continued support; you may contact me in the front office if you have any questions.
