

The City of Cape Coral Oasis Charter Schools Transportation Department

We are now accepting Bus Transportation Request Forms for the 2021-2022 school year. The Deadline to submit your Bus Request Form for the upcoming school year is June 28, 2021 at 5:00 p.m. ***All families must submit a new Transportation Request Form each year. This includes students and families currently riding the bus.*** All Bus Request Forms will be in an electronic format and can be located on your child's school website. Please be advised, there is no guarantee that seats will be available for all who apply. If you have applied beyond the deadline or during the school year, we will accept your request; however, there is a 2 to 3-week timeline to process your request and seating may be limited.

Oasis Charter Schools only transport students to his/her primary residence listed in FOCUS. Each parent/guardian, upon enrollment, is required to establish a primary residence based on the requirements for school admission. The Oasis Charter Schools do not provide busing to daycares, family daycare homes, after school activities (with the exclusion of the Youth Center), or the homes of extended family members. Your child must be enrolled in the Youth Center Program to receive busing to the Youth Center. Although we are sympathetic to the potential and realistic problems of shared residential custody of the child, we must adhere to proper procedures. It is the responsibility of the parents, not the Oasis Charter Schools, to transport a child to two residences. Students will only be assigned to one bus stop within our system.

Students will receive their route number, as well as pick up and drop off times, in their "Open House Packet" or you may contact your child's school for routing information. As we prepare for the return to school, we anticipate a safe and pleasant transportation experience. We will continue to implement the recommended safety procedures on all our buses. We are committed to keeping you informed, and we will post any updated transportation information on your child's school website.

Thank you for choosing the City of Cape Coral Oasis Charter Schools, we are honored to serve you!

Kindest regards,

Jamie Cooper
